Gage Bond

💼 Employment History

Front-end Web Developer, FastVisa. Dallas, Texas
Nov. 2019 - Jul. 2021

- Developed and maintained a Vue + Rails web application service.
- Developed various landing pages for both client web presences and FastVisa marketing/engagement sites.
- Worked directly with clients to determine their needs and expectations for the platform.
- Created documentation for new features and components developed.

Front-end Web Developer, Scribbler. Dallas, Texas
Mar. 2018 - Oct. 2019

- Developed and maintained a website serving as a e-Commerce store as well as SEO generator.
- Created a new SEO generation blog page for writers to easily post stories to drive traffic and engagement using the headless WordPress API and React.
- Worked with designers to determine the most effective interaction between utility and visual design.

Freelance Web Development.
May. 2015 - Feb. 2018

- Created web sites, landing pages, and small web apps for various businesses in the Dallas Fort-Worth metroplex in various industries.
- Researched which web tools would allow for the best implementation of the client's ideal platforms.
- Some companies I worked with:
  - Vertrauen Chemie Solutions
  - Opal Health and Wellness
  - Dallas Double Doodles
